

Affidavit Ensuring Tenant Education

By signing this affidavit, {full_name: Host Customer}, with respect to the solar electric system project ("System") at {address: Project Site}, which is partially funded by the Program Administrator for the Solar on Multifamily Affordable Housing Program (SOMAH) under application number {ProjectNumber}, certifies and declares under penalty of perjury that each of the statements in the paragraphs below are complete, true and correct.

- 1) Start date of construction: {data: Construction Start Date}

Dates tenant education took place: {data: Tenant Education Material Delivery Date} and {data: Tenant Education Email Date}{data: Meeting/Workshop Date}{data: Other Tenant Education Date}

- 2) The Host Customer provided SOMAH approved education materials to all tenants 60 days or fewer prior to the start of construction*

**Any projects that started construction prior to the SOMAH Program launch must meet the tenant education requirements post installation using SOMAH approved tenant materials. Host Customers will be requested to provide additional documentation of the indicated means. Documentation must be provided and may include a forwarded email or campaign statistics (click and open rate) or a tenant workshop sign-in sheet.*

- 3) The Host Customer provided such information by the following means:

- a. {data: Tenant Education Materials}

And at least one or more of the following:

- a. {data: Tenant Education Email}: Email Notification
- b. {data: Tenant Education meeting/workshop}: In-person meeting/workshop
- c. {data: Other Tenant Education}: Other {data: Specify Tenant Education}

- 4) The Host Customer provided such information in languages accessible to all tenants.
- 5) The Host Customer agrees that the SOMAH Program Administrator (PA) reserves the right to request further documentation that demonstrates that property owners have conducted tenant engagement.

By signing this Affidavit, I certify that I am authorized to sign this Affidavit on behalf of the Host Customer. I also declare under penalty of perjury, under the laws of the State of California, that all of the foregoing statements are true and correct.
