

Utilizing the application-specific link sent via direct email, the Host Customer must complete the VersaForm Request for the 2023 Revised Incentive to be applied to their qualified existing project. The VersaForm interface will look similar to this sample, including a summary of project information and acknowledgment of the Host Customer's request.

VersaForm – Request for 2023 Revised Incentive

This Request for 2023 Revised Incentive (Request) is for Host Customers who submitted applications prior to March 21, 2023, but have not yet submitted their Incentive Claim Milestone documentation. The 2023 Revised Incentive Program requires additional information not previously required at the time of application. By submitting this Request, the Host Customer authorizes the SOMAH Program Administrator (SOMAH PA) to communicate directly with the Applicant to obtain such documentation. Upon submission of the Request, the SOMAH PA will review the Request and tentatively update the application's incentive accordingly. Please note, receipt of the 2023 Revised Incentive is not guaranteed, and is contingent on the Applicant submitting the proper supporting documentation, as set forth in further detail at Section 3.6 of the SOMAH Program Handbook.

The term Host Customer refers to the property owner contact listed in PowerClerk for the SOMAH application. The term Applicant refers to the contact that manages the SOMAH application, typically the contractor.

Utilizing the application-specific link sent via direct email, the Host Customer must complete the VersaForm Request for the 2023 Revised Incentive to be applied to their qualified existing project. The VersaForm interface will look similar to this sample, including a summary of project information and acknowledgment of the Host Customer's request.

I {Host Customer} understand that by submitting this form I am requesting that the SOMAH PA apply the 2023 revised incentive level to my project, {Application Number}, {Property Name} at {Project Site Address}. I understand that the 2023 Revised Incentive is not guaranteed, and is contingent on the Applicant, {Applicant Company}, submitting the required supporting documentation at the next SOMAH application milestone to claim the Revised Incentive. The Applicant's supporting documentation must verify that the revised incentive enables the project to stay in the pipeline by improving the economic viability of the project and/or increasing tenant benefit for improved terms for the property owner.
