

Solar On Multifamily Affordable Housing Host Customer Data Disclosure Consent Form

Application Number

Property Name

**If an application has not yet been submitted and therefore an Application Number has not yet been assigned, the field can remain blank and will be updated by the SOMAH PA upon receipt.*

I, _____ [HOST CUSTOMER NAME], an authorized agent and representative of _____ [HOST CUSTOMER COMPANY NAME] and _____ [PROPERTY NAME], located at _____ [PROJECT SITE ADDRESS], customer of _____ [UTILITY SERVICE AREA], associated with SOMAH application _____ [XXX-SOMAH-#####], hereby expressly consent to allow the SOMAH Program Administrator (PA) to share project site energy use data and related information with third party entities involved with this SOMAH application (ex: Applicant, Contractor) for the purposes of:

- Informing the appropriate PV capacity (kW) for the property using the Solar Sizing Tool,
- Defining the maximum system generation (kWh) for Virtual Net Energy Metering (VNEM) tariff compliance,
- Providing transparency into expected load offset (%) from the PV system, and
- Reducing delays with the interconnection application process with the Utility.
