

Sign up for the SOMAH Job Training Portal

The Solar on Multifamily Affordable Housing (SOMAH) Program provides paid solar job training opportunities for eligible job trainees and residents of properties where SOMAH projects take place. The job training portal is an online portal where you can connect with participating SOMAH contractors, upload your resume into the resume bank, and apply for open jobs.

These step-by-step instructions will guide you through the following processes:

- Step 1: [Fill out the job trainee intake form](#)
- Step 2: [Upload your resume into the Resume Bank](#)
- Step 3: [Search for open job training opportunities](#)
- Step 4: [Search for SOMAH-eligible job training organizations](#)

More information on SOMAH job training opportunities can be found at www.calsomah.org/jobs.

Step 1: Fill out the Job Trainee Intake Form:<https://www.ca-somah.org/jobportal/s/self-register?locale=us>

- 1) Fill out your contact information and set your password for your account. Required questions are marked with a red asterisk (*).

SOMAH Job Trainee Intake Form

The following information is collected by the SOMAH Program Administrator for the purposes of data analysis and will never be shared with prospective employers. Your responses will not impact your ability to participate in the SOMAH program. You may decline to answer any demographic questions. Once you complete the intake form, you will receive a confirmation email with a link to the job training portal where you can upload your resume to the resume bank and apply for jobs.

****COVID-19 ALERT****

SOMAH continues its commitment to building a resilient California. This portal, including the SOMAH Job Board and Resume Bank, will remain active during the state's shelter in place rule. For more information on how SOMAH is responding to the COVID-19 outbreak, visit us here.

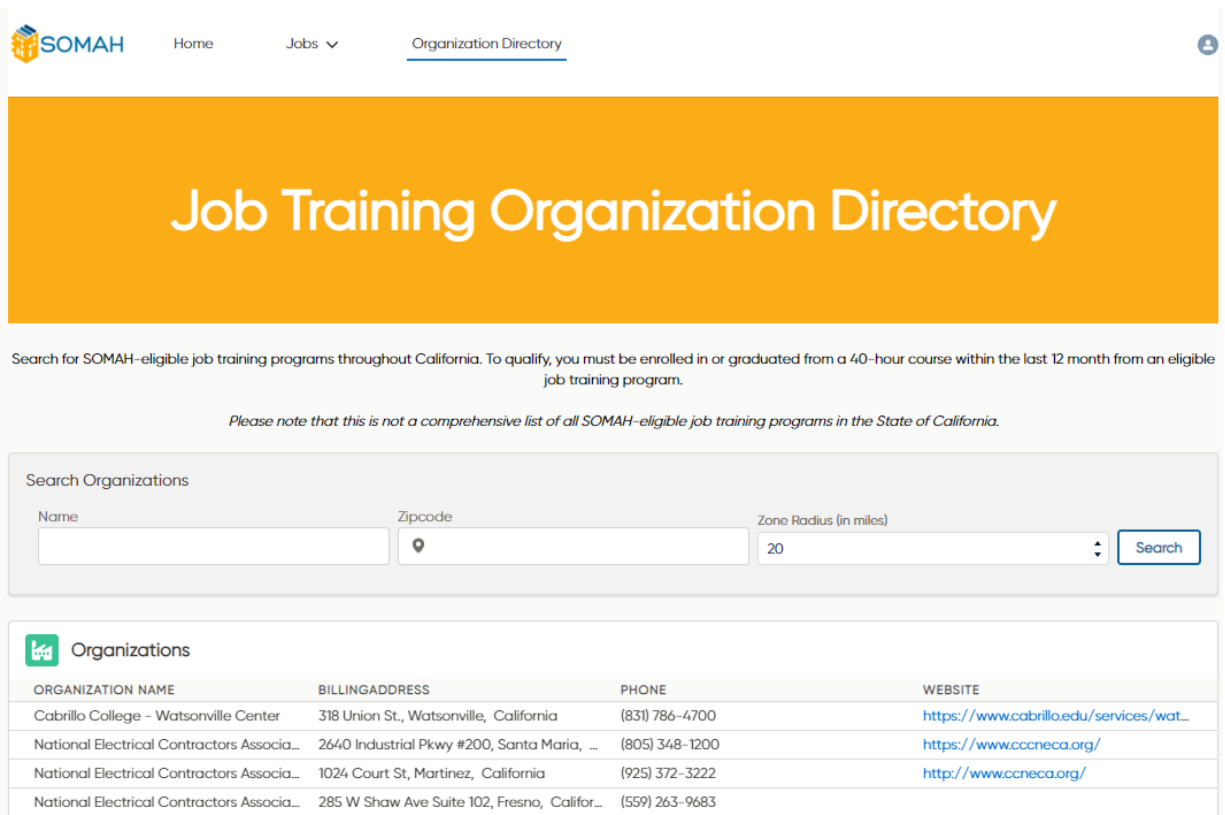

- 2) When contractors have available jobs, they will post jobs on the portal. You can search by job title or zip code radius.

A screenshot of the SOMAH website's job search interface. The page has a large orange header with the text 'Search Job Training Opportunities'. Below the header is a note: 'Note: The SOMAH program has not started yet. Once the program launches, contractors will post available jobs in the portal.' Underneath is a search form with the following fields: 'Job Title' (with a magnifying glass icon), 'Zip Code' (with a location pin icon), and 'Select Zone Radius' (with a dropdown menu showing 'Any'). A 'Search' button is located to the right of the 'Select Zone Radius' field. Below the search form, it says 'No jobs found.'

- 3) When you find a job that interests you, click on "Apply to Job." You will be prompted to upload your resume and cover letter again. Be sure to make your cover letter specific to the position and company you are applying to. Both documents must be in PDF format.
- 4) Contractors will contact you if they think you are a good fit for the position.

Step 4: Search for SOMAH-eligible job training organizations.

- 1) Click on "**Organization Directory**" from the menu at the top of the page.
- 2) Browse job training organizations that offer SOMAH-eligible solar and green building construction training and education programs.
- 3) Search by organization name or zip code radius.

The screenshot shows the 'Organization Directory' page on the SOMAH website. The page has a navigation bar with 'Home', 'Jobs', and 'Organization Directory' (which is underlined). Below the navigation is a large orange banner with the text 'Job Training Organization Directory'. Underneath the banner, there is a search instruction: 'Search for SOMAH-eligible job training programs throughout California. To qualify, you must be enrolled in or graduated from a 40-hour course within the last 12 month from an eligible job training program.' A note follows: 'Please note that this is not a comprehensive list of all SOMAH-eligible job training programs in the State of California.' Below this is a search form titled 'Search Organizations' with three input fields: 'Name', 'Zipcode' (with a location pin icon), and 'Zone Radius (in miles)' (with a dropdown arrow). A 'Search' button is to the right of the fields. Below the search form is a table titled 'Organizations' with the following data:
