Credit Allocation Request Information
--

I/we request that all energy credits, available as a result of the application of the rates and terms of Schedule NEMVS-139, be applied in the following percentages to the Qualified Customers responsible for bills for the locations and the common use area(s) of the Residential Complex, all meeting the terms set forth in Schedule NEMVS-139. I/we certify that an amount less than 50% will be allocated to common area meters in accordance with the rules adopted by the California Public Utilities Commission in D.17-12-022.

Common Use / Tenant Percentage Split

_____ + _____ = 100%

Please attach additional sheets with aggregated meter information, if necessary.

Attached is/are _____ (number of sheets) sheets extending the above lists to more Qualified Customers.

The total annual output in kWh of the Renewable Electrical Generating Facility may be sized to offset part or all of the electrical requirements of the meters in the aggregation arrangement, but may not be sized to exceed those requirements.

Pacific Power reserves the right to request a parcel map to confirm that participating accounts conform with the definition of Residential Complex included in Schedule NEMVS-139.

I/We represent that the forgoing is the percentage allocation of the NEMVS-139 credits for this Residential Complex, and we understand that these percentages will take effect on the first regularly scheduled monthly read date that is at least 30 days following receipt of this form by the Utility. Moreover, I understand that this allocation and subsequent reallocations shall remain in effect for a minimum of twelve months.
